## WEANER FEEDS

### Cereal Grain Based Supplements Designed for Consistent Growth of Young Cattle Post-Weaning

Stocklick Trading's **Weaner Feeds** are high energy, cereal grain based supplements with added protein meals for increased protein content. These supplements are specifically balanced to supply the correct level of energy, protein, minerals and vitamins to achieve consistent growth and weight gain in weaner cattle. Stocklick Trading's **Weaner Feeds** will also enhance rumen function, growth and condition, muscle definition and coat shine. Stocklick Trading's **Weaner Feeds** are to be fed in conjunction with hay or paddock pasture.
