WEANER LICKS

Dry Season Protein-Mineral Supplements for growing weaners.

Stocklick Trading's Weaner Licks are protein-mineral supplements suitable for feeding growing weaners grazing pasture. These supplements contain high quality protein meals to supply bypass protein and energy to maximize growth and condition in young stock. **Stocklick Trading's Weaner Licks** will also enhance rumen function, stimulate higher intakes of available dry matter and increase animal production through the dry season.
